1. How did you get started in Reining?

I started riding when I was 2 years old cooling down Dads horses. Then started with leadline when I was three or four years old with my horse "Cente" then short stir up at seven years old.

2. Favorite moment showing

I have several favorite moments. I've liked being able to ride in the NRBC against riders I don't usually compete with and I love winning the STRHA buckle of the year twice for short stir up.

3. Most embarrassing reining moment

I started competing in 13 and under this year, which is a lot different than short stir up. Well, at my show in Katy in March I forgot my pattern once I went into the arena because I was so nervous.

4. Favorite reining maneuver and why

My favorite maneuver has to be sliding/stopping because my horse Julion is a big stopper. I feel confident stopping my horse every time.
